

Flying or Hawking Experiences

Falconry is one of the oldest sports in the world, practised for the last 4,000 years. This is your chance to be a falconer for the day and experience the thrills of falconry for yourself.

Flying experiences are available all year, limited spaces June July August.

Hawking experiences are available from Oct to Feb.

Both experiences begin at 12noon and finish at approx 3pm.

Flying Experiences are available for ages 10 and over.

For ages 10 to 15years the cost is £65 and an adult must accompany them (included in the cost).

For ages 16 and over the cost is £85.

This experience will give you a brief insight into the everyday care and management, together with the early stages of handling, manning and training a raptor. It offers the unique opportunity to handle and fly various owls, hawks and vultures and for the over 16years the thrill of handling an eagle.

For safety reasons only one spectator (over the age of 16), is permitted at an extra cost of £10

The Hawking Experience is an exciting afternoon designed to give you an insight into hunting hawks, working closely with a falconer. The afternoon will be spent entirely in the surrounding countryside with a hunting hawk and an experienced falconer. The participant must be fully fit as this involves a 3-4mile walk and the climbing of gates and fences.

This experience costs £65 for over 16s only.

No spectators on this afternoon.
